

## How you get your own homepage on our server.

I'm an old retired man with computer – server as my hobby – so, YES, it's right, you can get your own homepage here on our own server and it's total free, because it's my hobby and we have good possibility to do that on our server, which have an uptime close to 100% and with UPS and back-up server.

1. If you have your own domains, so it's necessary, that you contact me, so we can find out, how we use that in the best way for you:
  - a. Move to our DNS or
  - b. Use a MX connection from the DNS you use.
  - c. And so we can make the site ☺
2. If you want a subdomain under AboutPhilippines.ph, so I can offer such one e.g. www."your familyname".AboutPhilippines.ph e.g. [www.Macapaz.AboutPhilippines.ph](http://www.Macapaz.AboutPhilippines.ph) – So you have to make the site and for that you can select:
  - a. How many pages would you like? I offer you max 2 gb all in all to your pages
  - b. I can also FREE offer to make Guestbook and Mailforms to your pages. Look e.g. [www.Guestbook.AboutPhilippines.ph](http://www.Guestbook.AboutPhilippines.ph) - [www.Mail.AboutPhilippines.ph](http://www.Mail.AboutPhilippines.ph) and [www.MailFriend.AboutPhilippines.ph](http://www.MailFriend.AboutPhilippines.ph)
  - c. If you have a program for it, so you can make all the pages, you like, and so send them or upload over FTP to me incl. different files.
  - d. You can write – save all the pages you like in Microsoft Word, so they look just like you want, and so send them or upload over FTP to me, so I will make the site for you and send it to you, so you can confirm before it goes on the Internet ☺
  - e. You can just write the text e.g. in mail, you like to get on the site and so send that to me together with e.g. photo, you like to get there, so I will make the site for you and send it to you, so you can confirm before it goes on the Internet ☺

So if you like to get your own site here or you have some questions, so just contact me. Remember all are free, read: [www.Privacy.AboutPhilippines.ph](http://www.Privacy.AboutPhilippines.ph)

Kindly regards
