

Hymn of the Supreme Court of the Philippines as played during the University of San Jose - Recoletos 2007 Acquaintance Party and Honoring of New Lawyers at the Waterfront Cebu City Hotel.

Behold the guardians of our rights

Enrobed in majesty and light

Uphold the Fundamental Law

From this Writ all their judgments flow.

With conscience free their views to air

They vow and this to all declare

Rich or poor, friend or foe alike

The scales eer balance strike.

Justice and Equity for all

Law, Truth and Fairness reign their hall

Here stands the Court of Last Resort

Forever Supreme Court.

With vision set on history

Their mission leaves a legacy

For their Honor, their Faith, their names,

The Nation will all acclaim.

For their Honor, their Faith, their names,

The Nation will all acclaim.
