## Bureau of Immigration - District and Field Offices

Unfortunately the Bureau of Immigration has modified its website. It seems that the bureau is not publishing the list of field offices anymore (maybe we simply not find it). But as always in the Philippines when you encounter a problem, you either sit on the beach and wait until the problem is resolved or you meet the person who resolves the problem for you. In the case of this list the person to meet was the Alien Control Officer in **Cagayan de Oro's** District Office. **This is a transcript of the October 2007 version.** We use the abbreviations: **BI** for **Bureau of Immigration** and **ACO** for **Alien Control Officer**.
